

# Management of Compliance and Sustainability

FULL OR PART TIME / Contract: INDEFINITE / FURNITURE /IMPORT

A successful German importer/distributor handles successfully a growing import business of furniture from Far East and East Europe into Germany. He faces an increasing number of complex regulations and laws.

To maintain a secure sourcing process also in the future the company assigns a manager (m/f/d) for the professional handling of all regulatory and legal compliance. This comprises responsibility for required audits, standards and certificates within the entire international supply chain f.e. conformity with LkSG, FSC, EUDR, REACH, BSCI etc.

Quality Management experience might be useful, language skills (English; Slavonic language favourable) are required whilst being organised remote and with flexible working times.
